Getting Started

Colorado Gives Foundation

Colorado Gives Foundation is all about making good happen by connecting people, ideas and nonprofits. We hold a special affinity for Jefferson County with grantmaking, but our vision extends statewide. We're committed to elevating donors and nonprofits across Colorado through both Colorado Gives Day and year-round fundraising on Colorado Gives 365.

We brought the Colorado Gives 365 platform to life to enable our valued donors to spread goodness around the clock, every single day of the year. They have the freedom to choose the causes that matter to them the most and collaborate with incredible nonprofits that are tirelessly working to make good happen in Colorado.

About Colorado Gives Day

Over the years, Colorado Gives Day has evolved into the biggest 24-hour giving movement in the state, bringing in over \$415 million since its inception in 2010. Each year, the people of Colorado unite with a shared common purpose: to elevate their community and neighbors by fueling the efforts of nonprofits that make a meaningful change.

2023 Colorado Gives Day Campaign

Campaign Manifesto

What if there was a day that, as Coloradans, we got to celebrate the impact of coming together and lifting up our local communities? A day when we join arm in arm with our neighbors, jump into the pool of positivity together, and set forth a wave of generosity to ripple out across the state?

Luckily for all of us, there is such a day, and it's called Colorado Gives Day. And on this special occasion, Colorado nonprofits are organized in one place, making it easy to find something you're passionate about. Want to help rescue animals? Click away. Care about providing food for those in need? You can donate here. No matter who you give to or how much you give, the result is the same - we all get to celebrate the magnitude of the good we create together.

Materials and Graphics

The Colorado Gives Day Toolkit provides images you can use to promote the day, and ones you can customize for your nonprofit. Add your logo or drop a photo in the transparent space to show your nonprofit’s impact. These assets are also available in Spanish.

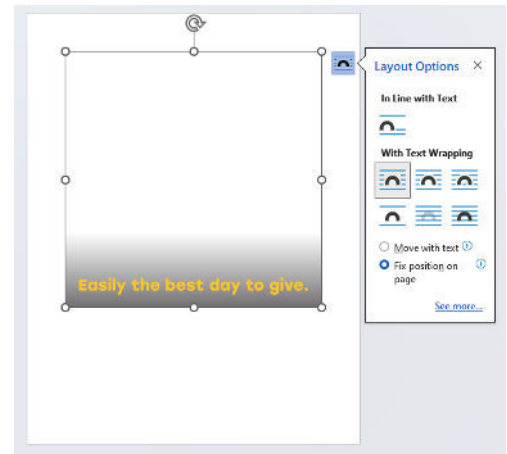

There are several formats available, including an option to customize in Canva.

Tip: A PNG file has transparent space for you to put your own photo in. You can use this file type in many applications.

Word / Powerpoint:

Open a new document. Insert the image and right click to adjust layout options (see example). Then open an image, adjust the layout options, then with the image selected, right click and send to back. This will put your image behind the transparent frame. When you like the way it looks, right click and save as picture.

CANVA:

We’ve uploaded the images to Canva so you can easily customize them for your nonprofit by adding your own photos. Upload your own photos to Canva, then select your photo to add it to the canvas. With your photo selected, right click and using the layer function, send your photo to back. The Colorado Gives Day frame will be on top of your image giving you a custom, co-branded image to use in your campaign.

Thank you!

On behalf of Colorado Gives Foundation, thank you for helping elevate statewide giving on Colorado Gives Day. Together, more than 3,400 nonprofits across our state are working to start a wave of generosity. As we discover how much good we can create together through Colorado Gives Day, the communities we serve will benefit from the generosity – today, and every day.
