

2025 Colorado Gives Foundation Food Security Grant Awards

Colorado Gives Foundation is committed to improving access to food for Jefferson County residents, focusing on ensuring the availability of local, healthy and culturally relevant food to promote overall wellbeing. Grants were funded in the following four areas.

People

Support organizations increasing SNAP, WIC and other public assistance program enrollment, navigation and utilization.

Procurement

Support efforts to increase food supply, access and use of local food pantries.

Awarded 68
grants totaling

\$3 Million+

Pantries

Support to bring local food producers and pantries together to develop a systematic approach to increase access to food.

Policy

Support for advocacy in local, regional and statewide public policy to increase food access in Jeffco.
